
Diabetes Classes for School Staff

Presented by staff from the Diabetes Program at Children's Hospital of Wisconsin

These diabetes trainings are designed for nurses, school health care providers, and school staff involved in the care of students with diabetes.

Diabetes Training for School Staff

This class covers the basics of blood sugars, carbohydrates, and caring for the child at school.

Pre-registration and payment is required. Most classes start at 8:30 am and end at 12:00 noon. Registration closes 1 week before the class or when capacity is reached. Fee is \$30.00 per person. Register and pay online at: www.maxishare.com

CGM's, Pumps and Apps, Oh, My!

This diabetes class covers continuous glucose monitors, insulin pumps and Blueloop apps. Registrants must have an understanding of basic diabetes cares in children to attend. Prior attendance of the "Diabetes training for school staff" is recommended.

Registration closes 1 week before the class or when capacity is reached. Fee is \$30.00 per person. Register and pay online at: www.maxishare.com
